

PRESS RELEASE 03.07.23

COMMUNITY CORONATION BUNTING

Thornbury Town Council would like to thank everybody who contributed a bunting flag to their Coronation Community Bunting Project and those who volunteered their time to sew them all together. The response was overwhelming, and the finished bunting consists of 274 individual flags and is approximately 82.5m long!

The helpful team at St Mary Shopping Centre have displayed the Community Coronation bunting for all to see in the shopping centre, where it will likely remain until the end of August. Please do pop along to admire it and to seek out your own flag if you provided one.

When it is taken down the Town Council will be loaning out the bunting for community events, so do get in touch if you would like to borrow it in the future. The bunting has been sewn into more manageable lengths of around 12.5 meters.

Thanks also go to Castle Crafts who kindly donated the binding tape.
